

Leiden, March 9, 2023

We have audited the financial report 2022 with:

- The statement of revenue and expenditure,
- The balance sheet and
- The notes to the financial statement.

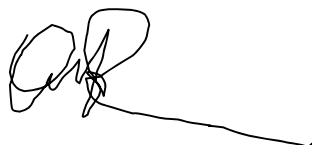

We examined the documents with regard to plausibility and correctness. We also made samples of individual billings and controlled the EXARC budget.

In our opinion, the accounting of the year 2022 of EXARC is correct, and we propose the Annual General Meeting to accept it.

EXARC Auditors for 2022

Dr Andrea Mariani

Dr Anita Radini

A handwritten signature in black ink, consisting of a stylized, cursive 'A' followed by a long horizontal line extending to the right.
